

# YAIRO FERNANDEZ

FernandezYairo@gmail.com | 857-544-2256

Summary: Throughout the years I have gained many skills, both soft and practical skills in the technology field. I am a fast learner and when I don't know how to do something, I still tackle the problem and find a way to solve it. As of now I am looking for employment in the coding industry. I have basic understanding of Javascript, HTML, CSS and JQuery and will be able to solve most coding problems.

## EXPERIENCE
